

INTERMEDIATE ARCHERY CLINIC

This intermediate archery clinic is designed for children ages 10-14 who have mastered the basic skills of shooting a bow and arrow. Led by USA Archery Level 2 instructors, students will further advance their archery skills by working on shooting form, proper shooting technique and aim.

*Students must show the ability to shoot with basic technique and follow safety rules prior to registering for the intermediate level. If your child has attended an archery clinic at MDC, please contact Logan for consideration for the intermediate level. If your child has attended archery lessons elsewhere, please submit proof of skills by letter or video for consideration.

October 12, 19, 26

November 2, 9, 16

4:30-5:30 pm

6 Sessions for

\$90
