

Join us for

Staying Alive: Survival Workshop

An amazing 3-day survival skills workshop for 6-8th graders.

In celebration of Florida Youth Conservation Centers Network's tenth birthday, join us for this immersive 3-day workshop designed to teach ultimate survival skills to 6th, 7th, and 8th graders! The Staying Alive: Survival Workshop will feature:

Day 1 - Fire-building, shelter-building, water-collecting, fishing, and boating

Day 2 - Practice new skills and learn archery and orienteering

Day 3 - Survival Day scenarios

Where: Joe Budd Youth
Conservation Center
1156 Cattle Gap Rd.
Midway, FL 32343

When: December 21-23, 2020
8:30AM-4:30PM daily

Cost: \$30 per child

Details:

Kids will need transportation to and from Joe Budd Youth Conservation Center daily, as this is not an overnight event. 12 spots available. Pre-registration is required. Please bring a bagged lunch, refillable water bottle, and wear adventure gear: closed-toed shoes and clothes that will get dirty!

To Register:

Call (850-933-4322 or email
