JBYYCC CODE OF CONDUCT

The staff of this camp is committed to providing a safe and enjoyable experience for your child; however, campers are also responsible to assist in these efforts. Parents are responsible to make sure their child brings the appropriate clothing and items to camp. You must review this code of conduct with the camper.

BEHAVIOR

1. Campers will accept and get along with others. Put-downs, bullying, foul language, malicious teasing, practical jokes, etc., will not be tolerated from any camper. Campers will be sensitive to others in terms of race, religion, physical characteristics, regional differences and language. Ethnic or religious slurs or jokes will not be tolerated.
2. Campers will respect others and their property. Campers will refrain from touching others in any harmful or inappropriate way.
3. Campers will follow directions the first time they are given. Most of our directions are for the safety of campers and second chances may be too late.
4. Campers are prohibited from bringing firearms, flammables or explosives into the camp. Violation of this policy is grounds for automatic dismissal.
5. The JBYCC is a tobacco, alcohol and drug free camp. Use and/or possession of tobacco, alcohol, drugs and/or any other substance defined as a drug are grounds for automatic dismissal.

HEALTH AND SAFETY

6. Campers will wear closed-toe/closed-heel shoes at all times.
7. Campers will use the buddy system and be supervised by instructors while at camp.
8. Campers will pay attention to their surroundings and use care in all activities.
9. Campers will adhere to all safety rules and regulations given for each activity he/she participates in while at camp.
10. To protect the health of campers and staff, please keep your child home from camp if they are sick. If it is determined to be a contagious illness, please let the camp director know. If your child becomes ill during the day at camp, parents/guardians will be contacted. IN ALL CASES OF CONTAGIOUS ILLNESS, a doctor's note stating that the child is no longer contagious is required in order to return to camp.
11. All staff members receive First Aid/CPR/AED training prior to camp. In the event a camper becomes ill or injured at camp, the staff member will make the determination whether the incident is a non-emergency or emergency situation. If it is determined to be an emergency, protocol will be followed and emergency personnel will be contacted, as well as parents/guardians. If it is determined to be a non-emergency, staff will apply first aid measures, and parents/guardians will be notified if deemed necessary.

GENERAL

12. Campers will inform staff if they are experiencing a problem with another camper or other issue. If we are not informed about a problem, we cannot stop the problem or assist the camper. It is the camper's responsibility to seek assistance. If a problem arises between a camper and a particular staff member, the camper needs to seek assistance from another staff member or camp director.
13. All personal belongings and/or equipment brought to camp are the camper's responsibility.
14. JBYCC administrative staff may communicate with parents/guardians by phone, email, written handouts or other means regarding campers.
15. We expect all campers to have fun at camp but not at the expense of others. No one should be mistreated by another person while at camp.
16. Campers may find that the camp experience offered by the Joe Budd Youth Conservation Center is not suited for them. Discussing this with staff is better than complaining about their situation with other campers.
17. Violation of the CODE OF CONDUCT is grounds for automatic dismissal. Refunds are not given when a camper is dismissed for violations of Camper's Code of Conduct.

I have read the above CAMPER'S CODE OF CONDUCT. I agree to follow all of the above rules to ensure that my camp experience (as well as that of other campers in attendance) at the Joe Budd Youth Conservation Center is a positive one. I understand that failure to obey to these rules may result in my dismissal from the program and camp fees will not be refunded.
