

Join us for a

FWC Family Fishing Adventure

A hands-on fishing adventure just for kids and families of FWC Employees

As part of Florida Youth Conservation Centers Network's 10th Birthday Celebration, come practice fishing techniques at the beautiful, ADA-accessible Suncoast Youth Conservation Center. Fishing from shore or pier, participants will learn catch and release techniques, knot-tying, casting, as well as fish measurement and identification. Fish for redfish, silver perch, ladyfish, snook, and much more. Poles, tackle, bait, and safety equipment is provided for youth ages 8-18 and their families. This event is exclusively for FWC Employees and their families.

Where: Suncoast Youth Conservation Center
6650 Dickman Rd.
Apollo Beach, FL 33572

When: December 12, 9AM-2PM

Cost: Free!

Details: Please bring lunch, refillable water bottle, and closed-toed shoes that can/will get wet. Kids under age eight are welcome, but will need to bring their own fishing gear.
