

SYCC Camp Policies & Procedures

WELCOME TO CAMP! <<<

This document will help you and your camper(s) become more familiar with our policies and procedures. Please read through this document and keep it for future reference. We are very happy to answer any questions you may have. The Suncoast Youth Conservation Center wishes to make your child's experience with us as enjoyable and beneficial as possible!

Suncoast Youth Conservation Center

6650 Dickman Road,
Apollo Beach, FL. 33572

Director: Candice Wade
(813) 922-7969

Assistant Director: Faye Johnston
(813) 922-7968

**CREATING THE
NEXT
GENERATION
THAT CARES.**

Goals and Objectives <<<

Our mission is to foster awareness, appreciation, and stewardship for Florida's wildlife and environment through outdoor recreation and conservation education. Through fun, safe, hands-on programs, we help create the next generation that cares about Florida's fish and wildlife resources. Campers will gain knowledge about the natural ecosystems of Florida to better respect and take care of living things and the environment. As a result of camp, campers will become confident in the skills needed for paddle sports, archery, fishing, and wildlife discovery while gaining life skills in communication, teamwork, responsibility, respect, and friendship-building.

Closed Campus Policy <<<

For the safety of all campers and staff, SYCC is a closed campus. Please adhere to the drop-off and pick-up locations and procedures to ensure safety is maintained.

Apart from the camper drop-off and pick-up area, the campus is closed to all adults unless prior approval is provided by the camp director.

Arrival at Camp <<<

On Monday morning, please enter through the main gate and travel around the traffic circle to the bottom of the building's entrance ramp. **Please remain in your vehicle** until you are greeted by staff who will verify the camper registration information, authorized pick-up list, and health history.

On consecutive check-in days, please continue to use the circle and remain in your vehicle. **Each camper must be signed in every day by a parent, legal guardian, or designee aged 16 or older.** For campers aged 16 and up, prior approval to drive themselves to and from camp must be submitted to SYCC director.

Once checked in, the camper (along with their belongings) will head to the classroom where camp staff will be present for morning activities. Use caution when exiting the main gate- wait at the designated vehicle stopping place (indicated by a white sign) as the **gate opens inward.**

»»» Checking In and Out

Your compliance with the check-in and check-out times is important and assures orderly registration and dismissal procedures. After five minutes past camp check-in/check-out time, staff will call for an estimated time of arrival if the camp has not yet been notified by voicemail, text, or email. Campers must be picked up by 4:30 pm, otherwise we will follow our policy to get the camper into appropriate care.

CHECK-IN/ CHECK-OUT TIMES

Check-in

8:00-8:30 AM (Every day)

Check-out

3:30-4:00 PM (Mon-Thurs)

3:00-3:30 PM (Fri)

To check out your camper(s), please pull around the circle and **wait in your vehicle**. At the base of the ramp, the director or assistant director will check identification of anyone listed as approved to pick up before campers are sent down the ramp for dismissal. Please follow the above checkout procedures rather than contacting your camper directly. On the last day of camp, please be sure to take home any medications.

»»» Camper Release Info and Transportation

You (or your designee) are responsible for transportation to and from the facility. If you expect your child to ride home from the camp with a friend or neighbor, please verify that they are listed on the pick-up authorization form during Monday check in. The authorization form must include the name(s) of: authorizing person(s) signing in the camper, the adult that filled out the registration form, and the person(s) permitted to pick up your camper(s).

Campers will not be released without proper identification, to anyone not on the authorized pick up list, or to a designee(s) under 16 years of age. If an extenuating circumstance prevents you from complying with

established drop off and/or dismissal times, please notify the camp director as soon as possible.

Campers must be picked up by 4:30 pm. If a camper is not picked up by 4:30 pm and attempts made by camp staff to contact those authorized to pick up are unsuccessful, we will follow our policy to get the camper into appropriate care.

REMINDER!

For anyone authorized to pick up camper(s) from camp, please remember to bring an I.D. as it will be checked by a staff member each afternoon during pick-up.

»»» Medical and Health

The health history information received during registration is diligently reviewed by camp staff to assure all campers will be successful and cared for while at the Suncoast. If your camper's medical information changes, or they may benefit from program modification due to a disability, please contact the director at your earliest convenience so that we can ensure a safe and welcoming experience for your camper.

During check in, supervisory staff will collect any camper medications and will verify with the parents/guardians that no changes in medical history have occurred. Vitamins and prescription drugs must be in the original containers.

Also, if your child is on medication for ADD/ADHD during the school year, **it is recommended that they remain on their medication** for the duration of camp.

Don't Forget!

Please do not forget to bring any medications on the first morning of camp!

Arriving without the medication your child needs for the day, including **inhalers and epi-pens**, may result in your child returning home with you. If medications are indicated on the registration but no longer required, an accompanying doctor's note must be brought to the first day of check-in.

Rights and Dignity of Others <<<

Please review the following with your camper(s):

Campers will adhere to respectful communications with and regarding all individuals in terms of ability, culture, gender, race, religion, sexuality, physical characteristics, and language in order to promote a safe, kind, and welcoming camp environment.

Campers will respect others and their property. Campers will help everyone feel safe and welcome in our camp community.

Harassment and bullying have a zero tolerance policy and will not be tolerated at camp.

>>> Camper Code of Conduct

There is a three-strike policy for behavior as outlined in the Camper Code of Conduct (a statement signed during online registration).

1. If a camper fails to respond to counselors, the camper will discuss any problems and appropriate solutions with the camp director.
2. On the second visit to the director, the parent/guardian is called to discuss the problem and possible solutions.
3. If problems persist, the parent/guardian will be called to immediately pick up the camper.

If it is requested that a camper be picked up for disciplinary reasons, the family will not be eligible for a refund.

Please note, some offenses do not require three strikes. This is not an exhaustive list, but for example, if your child injures others, steals, or attempts to run away from the camp, there will be immediate dismissal from the camp.

Response to each situation is at the discretion of the director.

»» Medical Treatment and Emergencies

This camp strives in every respect to provide a supervised and safe learning experience. However, it must be realized that a portion of the responsibility for this success also lies with you and your child during camp, outside of camp hours.

Camp staff are First-Aid/CPR/AED and lifeguard certified. Minor injuries and ailments are treated with over-the-counter medications (Children's Tylenol, Children's Benadryl, and Triple Antibiotic Ointment) where approved during camper registration.

A registered nurse is on call for any consultations deemed necessary by the camp director.

Major medical issues will be handled by calling 9-1-1.

Parents/guardians are notified as soon as possible in the event of an emergency.

During camp, the director will contact you if:

- Child is injured and we feel they need to be taken to the emergency room.
- If the child is running a fever over 100.0 degrees or vomiting.
- Child is having an unusual reaction to an insect bite, food, or allergy not recorded on the health history form.
- Child is having continuous behavior problems.
- Any health concern that arises which may require early pick up.
- If a campus emergency has resulted in offsite transportation.

Lost and Found

SYCC has a lost and found box. Please ask your child to examine the lost and found box for any belongings before leaving. Labeling your child's items is highly recommended.

Camper Insurance

The camp provides secondary, minor health and accident insurance during summer camp. The parent or guardian's policy is considered primary. **Only if the camper is uninsured would the camp's policy become primary.**

Emergency Evacuations

In the event of an emergency evacuation, camp staff will attempt to contact all parents/guardians on the emergency contact list and leave a voicemail with location once at the evacuation site. Additionally, the same information will be provided to our FWC Regional Office in Lakeland and our headquarters in Tallahassee.

IMPORTANT CONTACTS

SYCC Office (813) 922-7980

Lakeland Regional Office (863) 648-3200

Tallahassee Headquarters (850) 404-6125

»»» Phones/Electronics

Camp is a time to connect with friends and the outdoors. **Please do not send a cell phone to camp with your camper(s).** If a phone is brought to camp, please know that staff will ask that the phone be stored in personal belongings for the duration of camp activities.

Cameras are permitted – waterproof or disposable cameras work best.

The Suncoast is not responsible for lost or broken electronics. If a child has a cell

phone and attempts to contact or is contacted by a parent/guardian, please inform the camp director to assure communication is occurring through the proper channels.

FRIDAY FUNDAY!

On Fridays, we let loose and celebrate the last day of camp with some fun! We will bust out some fun, outdoor activities and provide campers with a tasty treat to enjoy before the weekend.

»»» What to Bring

- Clothing should be appropriate for an outdoor environment. Campers will be active (paddling, fishing, bending, running, jumping, etc.). Clothing should fit comfortably and should not inhibit the listed activities. Clothing referencing alcohol, tobacco products, profanity, etc. are inappropriate and are not permitted.
- Whether in dry clothes or swimwear, clothing should cover from shoulder to around mid-thigh. Shirts and shorts/pants are required for all activities in or out of the water. **Be sure to send a change of clothes with your camper each day** so they have something dry to wear after any water-based activities.
- During activities, campers will get wet, muddy, etc. Please send clothing/items that can get dirty and leave expensive items at home.
- Closed-toe shoes with a closed heel and sides that can be wet and muddy are to be worn at camp. You may wish to send your camper with two pairs of shoes, so they have a dry option to change into after water activities. All shoes should meet the above specifications. **Crocs, flip flops, slides, or other non-protective footwear are not permitted.**
- Label everything—campers will mix their items up and this makes it much easier to get item(s) back to the owner.
- Pack enough lunch and snack foods to sustain campers for long days with high-energy activities.
- A reusable water bottle is required for all outdoor activities.

»»» Packing List

Recommended Daily:

- Hat
- Sunglasses
- Reusable water bottle
- Sunscreen
- Insect repellent
- Long-sleeved sun shirt
- Towel
- Extra pair of closed-toe dry shoes
