

SYCC Application Process FAQs

»»» HOW DOES THE SYCC CAMP REGISTRATION WORK?

Parents/guardians can submit applications to SYCC summer camp starting at 8:00am, February 3rd. Initially, you will receive an email stating that your registration is either pending or waitlisted. If your registration is pending, staff will review the application and convert the registration to approved once we've confirmed information is correct/meets camp requirements and reach out regarding payment. Those who are waitlisted will be notified if there are any cancellations in the order in which applications were received. **Submission of an application does not guarantee a spot at camp.**

»»» WHY DID YOU CHANGE FROM THE LOTTERY SYSTEM USED IN 2024?

As our camps have grown in popularity, we've tested out some different processes in order to address feedback we've received from camp applicants in the past. In 2024, we made a few changes to address these concerns. Most were addressed by increasing camp capacity and limiting applicants to a single week of camp. Based on this assessment, we've moved our camps back to a first come, first served registration process, but kept the increased capacity and cap on how many weeks campers can register for in order to allow more kids to experience our camps.

SYCC Application Process FAQs

➤➤➤ HOW DOES THE SYSTEM WORK FOR SIBLINGS?

Due to the high demand & limited capacity of SYCC summer camps, special considerations will not be made for siblings, relatives, or friends. Each application is considered independently.

➤➤➤ HOW MANY CAMPS CAN I APPLY TO?

Due to the high demand & limited capacity of our camps, campers may only participate in 1 week of camp per summer.

➤➤➤ IS THERE A WAITLIST FOR CAMPERS NOT INITIALLY SELECTED?

If a camper receives a spot at camp & drops out, we will contact applicants on the waitlist. Applicants are contacted in the order in which they registered. We will contact the parent/guardian of the newly selected camper to inquire if they are still interested in a space at camp.

➤➤➤ CAN MY CAMPER SWITCH WEEKS?

On very rare occasions, we may be able to accommodate this request. However, it is never guaranteed. We have a lot of campers to prepare for and making individual switches puts an undue strain on staff and resources. Please prioritize your preferred camp during registration.

SYCC Application Process FAQs

»»» HOW DO I APPLY TO SYCC SUMMER CAMP?

In order to apply for SYCC summer camp, you will need to create an account in our online registration portal, fill out camper information, and submit an application to your desired week(s) of camp.

Visit the summer camp tab on our website and click the "Access your account" button. This will allow you to create/log into your registration account. You can log in prior to the application window to create your account and set up camper information. Access to apply for SYCC summer camp will become available at 8:00am on February 3rd. Please note that some of our camps fill up very quickly, so setting up an account in advance is recommended.

If creating a new account, you will receive two confirmation emails, one from FYCCN & one from our volunteer team. Please only use the one sent by FYCCN to complete your camper's application. After completing a camp registration application, you will receive a confirmation email from our registration system stating that your registration is either pending or waitlisted. This email is NOT a confirmation of a spot on the roster. If you secure a spot in camp, you will receive an email stating your registration status is "Approved" and notification from Suncoast@MyFWC.com that payment is due.
